Profile

Recent Iron Yard graduate seeking employment in web development.

Experience

Student, The Iron Yard; Greenville, SC — September 2015—December 2015

A three-month code bootcamp where I took a class called Python Engineering and Data Science. In the class, I learned core python, data science with python, and backend web development with python and django.

Sous Chef, Saluda River Grill; Piedmont, SC — June 2014—September 2015

I managed a team of cooks, took part in decision making, and was trusted with alarm codes and keys.

Kitchen Manager, Playmakers Sports Bar and Grill; Anderson, SC — Jan. 2014 - June 2014

I ran day-to-day operations involving the kitchen. Managed all cooks, schedules, and orders.

Call Agent, Direct Outbound; Greenville, SC — August 2013 — Jan. 2014

Provided customer service via phone for a number of companies Direct Outbound was contracted to.

Education

The Iron Yard, Greenville, SC — Sept. 2015 - Dec. 20
